Calling Attention to Matters of Urgent Public Importance :

(i) *re* : **Inadequate Teaching Staff in the Medical College, Bellary**

Sri B. SATYANARAYANA SINGH (Hospet).—I call the attention of the Minister for Health to the inadequate tea hing staff in Medical College, Bellary.

Sri H. SIDDAVEERAPPA (Minister for Health).—Sir, I state as follows:

The sanctioned strength under four categories of teaching cadre in the Medical College, Bellary is 139, the details of which ara as noted below :—

1.	Professors ...	9
2.	Associate Professors and Readers ...	24
3.	Assistant Professors and Assistant Associate Professors ...	31
4.	Lecturers ...	75
	Total	139

The number of posts that are vacant under the four categories indicated above as on 24-2-1973 are 42, the details of which are as follows :—

1.	Lecturers ...	17
2.	Assistant Professors and Assistant Asssotiate Professors ...	20
3.	Associate Professor ...	1
4.	Professors ...	4
	Total	42

The reasons for which the vacancies have arisen, the action taken to fill up these posts and the present position under each category is as nated below :—

1. *Lecturers* : Out of 25 Lecturers posted to Bellary Medical College in December 1972, three did not report to duty & three were transferred to other Colleges. The other vacancies have arisen due to resignation and proceeding of certain Doctors on higher studies. Action has already been taken to release 81 posts of Lecturers to the Public Service Commission (33 posts have been released on 3-8-1972 and 48 posts on 13-2-1973). The existing 17 vacancies will be filled up soon after the receipt of selected list from the Public Service Commission.

2. *Assistant Professors and Assistant Associate Professors* : The number of posts vacant under this category is 20. Most of these posts are in non-clinical subjects in which there is acute dearth of qualified post graduate candidates.

Sixtythree posts of Assistant Professors and Assistant Associate Professors have been released to the Public Serviee Commission (45 posts have been released on 24-9-1971 and 18 posts on 18-1- 973.) A list of selected candidates has been received from the Public Service Commission on 24-2-1973. The Public Service Commission could

selects only 27 candidates against 14 different Departments as no candidates were available for certain posts :

For the following posts there were no cadidates : —

2 Posts of Assistant Prafessors in Anatomy.
1 Post of Assistant Associate Professor in Urology.
1 Post of Assistant Associate Professor in Cardiology.
1 Post of Assistant Associate Professor in Thoracic Surgery.
1 Post of Assistant Associate Professor in Plastic Surgery.
2 Posts of Assistant Associate Professors in Opthalmology.

For the following posts candidates to the extent required were not available :—

2 Posts of Assistant Professors in Physiology.
1 Post of Assistant Professor in Pathology.
1 Post of Assistant Professor in Preventive and Social Medicine.
1 Post of Assistant Associate Professor Skin and V.D.
2 Posts of Assistant Associate Professors in Radiology.
1 Post of Assistant Associate Professor in Orthopaedics.

3. *Associate Professors* : Only one post is vacant. This post could not be filled up for want of qualified candidate in Pathology. The work is now being looked after by Professor of Pathology.

4. *Professors* : Four posts of Professors are vacant. Two posts (one in Medicine and one in Surgery) have fallen vacant due to promotion of Dr. S. Chinnapulley as Dean and due to transfer of Dr. C. Vittai as Professor of Plastic Surgery to Bangalore Medical College. These posts could not however be filled up so far, as the seniority list has not been finalised. The seniority list of Class-I Officers is expected to be finalised shortly and action will be taken to fill up these posts soon after the seniority list is finalised. In the meanwhile, incharge arrangements have been made against these two posts. Incharge arrangements have also been made against the post of Professor of Microbiology and the post of Professor of Preventive & Social Medicine.

Reasons for non-recognition of the College by Indian Medical Council

The main reason for non recognition of the College by the Indian Medical Council is the inadequate staff and bed strength. The staff position is as explained above.

As regards bed strength, sanction has already been accorded for a new 680 bedded hospital at a total cost of Rs. 84 lakhs the first stage consisting of 120 beds and four operation theatres are likely to be completed before 31-3-1973. In view of increased cost of work, revised Plans and estimates for the II Stage consisting of 240 beds amounting to Rs. 39.95 lakhs have been received from the Director of Health & Family Planning Services and are under scrutiny.

(SRI H. SIDDAVEERAPPA)

The proposal for transferring the Health Centre to the Administrative Control of the Dean, Medical College Bellary, has been accepted by the Government in principle.

A new 500 M.A. X-ray plant has also been sanctioned and it is expected to be commissioned by 31-3-1972.

All the other arrangements are in accordance with the standards set by the Indian Medical Council. The Government expects that it would be possible to improve the bed strength and the staff position to secure recognition by the Indian Medical Council in about a year's time.

ಶ್ರೀ ಬಿ. ಸತ್ಯನಾರಾಯಣ ಸಿಂಗ್.— ಸ್ವಾಮಿ, ತಾವು ಈಗ ಕೊಟ್ಟಿರುವ ಹೇಳಿಕೆ ಪ್ರಕಾರ 14ಬೇರೆ ಬೇರೆ ಶಾಖೆಗಳಲ್ಲಿ ತಜ್ಞರು ಇಲ್ಲ ಎಂದು ಹೇಳುತ್ತಿದ್ದೀರಿ. ಈ ವಿಷಯದಲ್ಲಿ ಆ ಮಕ್ಕಳಿಗೆ ವಿದ್ಯಾಭ್ಯಾಸ ಹೇಳುವುದಕ್ಕೆ ಏನು ವ್ಯವಸ್ಥೆ ಮಾಡಿದ್ದೀರಿ ? ಮತ್ತು ಮುಂದೆ ಈ ಸಮಸ್ಯೆಯನ್ನು ಪರಿಹಾರ ಮಾಡುವುದಕ್ಕೆ ಏನೇನು ಕಾರ್ಯಕ್ರಮ ತೆಗೆದುಕೊಳ್ಳುತ್ತೀರಿ ಎನ್ನುವುದನ್ನು ತಿಳಿಸುತ್ತೀರಾ ?

ಶ್ರೀ ಎಚ್. ಸಿದ್ದವೀರಪ್ಪ.—ಅನೇಕ ತೊಂದರೆಗಳು ಇರುವ ಸಲುವಾಗಿಯೇ ಆದನ್ನು ತಪ್ಪಿಸುವುದಕ್ಕೆ ಪೋಸ್ಟ್ ಗ್ರಾಜ್ಯುಯೇಟ್ ಕೋರ್ಸ್ ಆಡ್ಮಿಷನ್ ಸ್ಟೈಂಗ್ತನ್ನು ಜಾಸ್ತಿಮಾಡಿದೆ. ಈಗ ಕೆಲವರಿಗೆ ಟ್ರೈನಿಂಗ್ ಆಗುತ್ತಾ ಇದೆ. ಅವರು ಆ ಟ್ರೈನಿಂಗ್‌ನ್ನು ಮುಗಿಸಿಕೊಂಡು ಬಂದ ಮೇಲೆ ಬಹುಶಃ ಈ ಸಮಸ್ಯೆ ಬಗೆಹರಿಯುತ್ತದೆ ಎಂದು ಕಾಣುತ್ತದೆ.

(ii) *re* : **acquisition of properties at Banthkal and Aligade for Development of Karwar Port.**

ಶ್ರೀ ಎಸ್. ಬಂಗಾರಪ್ಪ (ಸೊರಬ).—ಸ್ವಾಮಿ, ಕಾರವಾರ ಬಂದರನ್ನು ಅಭಿವೃದ್ಧಿಪಡಿಸುವ ಉದ್ದೇಶಕ್ಕಾಗಿ ಬೈಲ್‌ಕೋಲ್ ಹಾಗೂ ಆಲಿಗಡ್ಡೆಗಳಲ್ಲಿರುವ ಆಸ್ತಿಗಳನ್ನು ಸ್ವಾಧೀನಪಡಿಸಿಕೊಂಡಿರುವ ವಿಚಾರವನ್ನು ಮಾನ್ಯ ಲೋಕೋಪಯೋಗಿ ಹಾಗೂ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಮಂತ್ರಿಗಳವರ ಗಮನಕ್ಕೆ ತರಬಯಸುತ್ತೇನೆ.

Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).— Sir, I state as follows :

The land acquisition in Baithkol and Bad villages adjacent to Karwar port was initiated in the year 1932, in pursuance of the recommendations of the Intermediate port Development Committee 196., which among other things recommended the desirability of immediate acquisition of about 150 acres of land adjacent to Karwar port in order to freeze the land value and to avoid difficulty to acquire the land at a later stage. The development of Karwar port was taken up in two stages. The first stage development as recommeded by the Committee for providing a Lighterage Wharf on stacking area etc., has been completed. The second stage development proposals have been submitted to the Government of India for approval.

An area of 113 acres 13 guntas and 6 1/16 annas is under acquisition for the purpose of development of Karwar port, out of which 71 acres 10 guntas and 913/16 annas and 7 buildings were taken possession and the remaining area of 42 acres 2 guntas and 12 4/16
